REGARDING: CROSS WORD CHRISTIAN CHURCH AND THE MARCH HEALTHCARE DEVELOPMENT

Dear Mayor Stewart,

I am writing today for your support and YES vote. As a member/supporter of Cross Word Christian Church, I believe it is imperative that the church be included in the proposed redevelopment of the northeast corner within the March Joint Powers Authority (MJPA) area of control.

Cross Word is an integral part of our community and is embarking on one of the greatest community based partnerships that Riverside County will see for many years to come.

REGARDING: CROSS WORD CHRISTIAN CHURCH AND THE MARCH HEALTHCARE DEVELOPMENT

Dear Mayor Stewart,

I am writing today for your support and YES vote. As a member/supporter of Cross Word Christian Church, I believe it is imperative that the church be included in the proposed redevelopment of the northeast corner within the March Joint Powers Authority (MJPA) area of control.

Cross Word is an integral part of our community and is embarking on one of the greatest community based partnerships that Riverside County will see for many years to come.

— VOTE 'YES' FOR CROSS WORD INCLUSION —

- Cross Word is a major stakeholder within this and the surrounding communities and one of the largest churches/faith based organizations within the March Air Reserve Base area.
- The presence of Cross Word within this development is a win-win-win, in that it is meeting the needs of those individuals and families that live in this community and will access services within the development.

REGARDING: CROSS WORD CHRISTIAN CHURCH AND THE MARCH HEALTHCARE DEVELOPMENT

Dear Mayor Stewart,

I am writing today for your support and YES vote. As a member/supporter of Cross Word Christian Church, I believe it is imperative that the church be included in the proposed redevelopment of the northeast corner within the March Joint Powers Authority (MJPA) area of control.

Cross Word is an integral part of our community and is embarking on one of the greatest community based partnerships that Riverside County will see for many years to come.

REGARDING: CROSS WORD CHRISTIAN CHURCH AND THE MARCH HEALTHCARE DEVELOPMENT

Dear Mayor Stewart,

I am writing today for your support and YES vote. As a member/supporter of Cross Word Christian Church, I believe it is imperative that the church be included in the proposed redevelopment of the northeast corner within the March Joint Powers Authority (MJPA) area of control.

Cross Word is an integral part of our community and is embarking on one of the greatest community based partnerships that Riverside County will see for many years to come.

REGARDING: CROSS WORD CHRISTIAN CHURCH AND THE MARCH HEALTHCARE DEVELOPMENT

Dear Mayor Stewart,

I am writing today for your support and YES vote. As a member/supporter of Cross Word Christian Church, I believe it is imperative that the church be included in the proposed redevelopment of the northeast corner within the March Joint Powers Authority (MJPA) area of control.

Cross Word is an integral part of our community and is embarking on one of the greatest community based partnerships that Riverside County will see for many years to come.

– VOTE 'YES' FOR CROSS WORD INCLUSION –

- Cross Word is a major stakeholder within this and the surrounding communities and one of the largest churches/faith based organizations within the March Air Reserve Base area.
- The presence of Cross Word within this development is a win-win-win, in that it is meeting the needs of those individuals and families that live in this community and will access services within the development.

REGARDING: CROSS WORD CHRISTIAN CHURCH AND THE MARCH HEALTHCARE DEVELOPMENT

Dear Mayor Stewart,

I am writing today for your support and YES vote. As a member/supporter of Cross Word Christian Church, I believe it is imperative that the church be included in the proposed redevelopment of the northeast corner within the March Joint Powers Authority (MJPA) area of control.

Cross Word is an integral part of our community and is embarking on one of the greatest community based partnerships that Riverside County will see for many years to come.

REGARDING: CROSS WORD CHRISTIAN CHURCH AND THE MARCH HEALTHCARE DEVELOPMENT

Dear Mayor Stewart,

I am writing today for your support and YES vote. As a member/supporter of Cross Word Christian Church, I believe it is imperative that the church be included in the proposed redevelopment of the northeast corner within the March Joint Powers Authority (MJPA) area of control.

Cross Word is an integral part of our community and is embarking on one of the greatest community based partnerships that Riverside County will see for many years to come.

SPIRITUAL PARTNER

- Cross Word serves numerous Riverside County residents weekly by offering spiritual solace during turbulent times.
- Cross Word has over 25 volunteer ministries offering free resources and support to families, elderly and local businesses.

REGARDING: CROSS WORD CHRISTIAN CHURCH AND THE MARCH HEALTHCARE DEVELOPMENT

Dear Mayor Stewart,

I am writing today for your support and YES vote. As a member/supporter of Cross Word Christian Church, I believe it is imperative that the church be included in the proposed redevelopment of the northeast corner within the March Joint Powers Authority (MJPA) area of control.

Cross Word is an integral part of our community and is embarking on one of the greatest community based partnerships that Riverside County will see for many years to come.

- Cross Word is a major stakeholder within this and the surrounding communities and one of the largest churches/faith based organizations within the March Air Reserve Base area.
- The presence of Cross Word within this development is a win-win-win, in that it is meeting the needs of those individuals and families that live in this community and will access services within the development.

SPIRITUAL PARTNER

- Cross Word serves numerous Riverside County residents weekly by offering spiritual solace during turbulent times.
- Cross Word has over 25 volunteer ministries offering free resources and support to families, elderly and local businesses.

REGARDING: CROSS WORD CHRISTIAN CHURCH AND THE MARCH HEALTHCARE DEVELOPMENT

Dear Mayor Stewart,

I am writing today for your support and YES vote. As a member/supporter of Cross Word Christian Church, I believe it is imperative that the church be included in the proposed redevelopment of the northeast corner within the March Joint Powers Authority (MJPA) area of control.

Cross Word is an integral part of our community and is embarking on one of the greatest community based partnerships that Riverside County will see for many years to come.

SPIRITUAL PARTNER

- Cross Word serves numerous Riverside County residents weekly by offering spiritual solace during turbulent times.
- Cross Word has over 25 volunteer ministries offering free resources and support to families, elderly and local businesses.
