I. DISCUSSION ITEMS

I1. Special Events and Facilities

Claudia Torres shared several key updates. The Daddy Daughter Dance sold out and received five-star feedback, with attendees requesting more interactive activities. Two upcoming public events, the Lantern Night Market and the Car Show are currently pending review with other departments. Winter sports leagues have kicked off, with 300 participants registered for Pee-Wee basketball, and a new soccer program launching on February 24. The Citizens Academy presentation is scheduled for February 25.

I2. Community Services

Nikki Hendricks shared updates on recent programs and events at the Senior Center and beyond. On January 6, 54 registered seniors traveled by chartered bus to Fantasy Springs Casino, where they enjoyed food, games, and entertainment. The New Year's Eve bash drew approximately 150 seniors, who celebrated with live music, food, and socializing.

Participants at A Child's Place took part in a week-long Valentine's celebration featuring a variety of interactive activities, culminating in a "Carnival of Love" event where they welcomed their grandparents. Demonstration garden workshops and Black History Month celebrations are scheduled for February.

I3. Parks and Landscape Services

Dan Monto began his update by highlighting several completed projects by Parks and Landscape Services, including playground installations and trail repairs. Ongoing efforts include trail repairs and landscaping at Moreno Valley Ranch and Hidden Springs, with completion anticipated by the end of the month. The replacement of trash receptacles at Hidden Springs is also underway, with delivery expected in April.

A new contractor has been selected for upcoming restroom and playground projects, and pre-construction meetings are currently in progress. Staff will

schedule a pre-construction meeting for the Adrienne Mitchell restroom building and confirm the date and attendees. Several projects are in the planning and design phases. The new restroom building at the Civic Center Amphitheater has completed design and is now in the bid document stage. Similarly, the Community Park restroom renovation has finalized design and is moving forward with bid preparation. Additional upcoming projects include picnic shelter replacements at Gateway and Hidden Springs Parks, as well as playground replacements at Vista Lomas Park and Pedrorena Park.

14. Administration and Financial Service

Danielle Monarrez shared updates on the ASES school program, highlighting students' creation of paper flowers and a recruitment lunch held in January. The Main library is receiving an installation of new carpeting and flooring. In February, the library will host events in celebration of Black History Month. Additionally, the Little Free Libraries are being upgraded with newly primed, more durable units. County Supervisor Gutierrez recognized the Moreno Valley Public Library with a certificate of appreciation.

15. Director Updates

Jeremy Bubnick provided updates on several ongoing projects and initiatives. He reported progress on the staging and demolition of the Lakeshore Village satellite library, as well as efforts related to naming a new park within the Sunset Crossing development. He also highlighted preparations for the CAPRA temporary review team visit scheduled for the second week of March, including compiling required documentation, coordinating site tour logistics, and ensuring readiness to meet accreditation standards.

Additionally, Jeremy noted that the department is working to be more proactive in sharing timely updates on social media, particularly regarding weather-related closures at Flight Deck Park. Regarding the Senior Center expansion, a more definitive timeline is expected once contractors are on site; however, the project is currently estimated for completion between December 2026 and January 2027.
